

Levin Intermediate School

Activities Week

13 - 17 September 2010

15 June 2010

Kia Ora

Marcus has been chosen as part of the activity.

Now that we have a better indication of our numbers in each group we can go ahead and book the planned activities. We are yet to confirm exact costs, but feel confident that it will be close to the cost stated to you on the first note home (\$.....). We are also yet to confirm which parents are coming with us or the cost for them to attend (this will be kept to a minimum).

As details become available we will get the necessary information to you.

To confirm your child's involvement, a **non refundable** deposit of \$..... is required from you **by July 2nd**. This amount represents 20% of the projected cost of the activity.

Please note that the activity costs will need to be paid in full, prior to the **3rd September** (this includes any automatic payment arrangement).

If you wish to start an automatic payment to pay for this activity or you have an existing automatic payment, please contact the office staff.
