These are the **minimum 'Tools for School'** requirements for your child. Replacement stationery may be required during the course of the year.

All books are to be covered and labeled with the student's full name and space left for subject headings to be entered.

All other stationery must be marked in a permanent way so as to be identifiable by the owner.

Twink is not allowed at school - but correction tape is ok.
(We encourage risk taking in a student's learning so mistakes are teaching opportunities which the teacher needs to be able to see.)

The Class Teacher will inform students of any other requirements e.g. flash drive, any extra books.
