These are the minimum **‘Tools for School’** requirements for your child. Teachers will hold extra pens, pencils and books for individual students. They will be distributed when required. Replacement stationery may be required during the course of the year. The office will keep a small supply of stationery for this purpose.

All books are to be labelled with the student’s full name and space left for subject headings to be entered. All other stationery must be marked in a permanent way so as to be identifiable by the owner.
